v.

Civil Action Number: 2:06-CV-00172-WHA

Gladys Deese et. al.,

Motion for an Extension of Response  
to the Defendant's Reports

When I received my medical file, I did not find the EKG or the grievance appeal. Warden Albright had me to sign a release, so he could get the EKG from Baptist South, Warden Albright said that he would contact PHS Corporate Office and get a copy of the grievance appeal. When PHS received those documents, they did not notify me and make those documents available for copying. Therefore, I need an extension to file a Response to the Defendants' Reports, until the defendants make those documents available.

Done this 22nd day of August, 2006
